

Brian Watkins

Alumni Playwright

July, 2016 -- June, 2023

Brian Watkins is a Juilliard Lila Acheson Wallace Playwriting Fellow and a New Dramatists resident playwright. Watkins is the Creator, Co-Showrunner, and Executive Producer of the upcoming television series *Outer Range*, starring Josh Brolin and produced by Brad Pitt's Plan B Entertainment for Amazon Studios. His latest play *Epiphany* premiered in 2019 at the iconic Druid Theatre under the direction of Garry Hynes, starring Marie Mullen and Bill Irwin. Other plays include *Wyoming* (Druid, Lesser America), *Into The Earth With You*, *Evergreens* (Juilliard), *A Scavenge* (Williamstown), *My Daughter Keeps Our Hammer* (The Flea; NYTimes and TimeOut NY Critics' Pick), and *High Plains* (Underbelly Edinburgh). His work has been seen and developed at Lincoln Center, Atlantic Theater Company, New York Theatre Workshop, Druid Theatre, Labyrinth Theater, Williamstown Theatre Festival, Rattlestick Playwrights Theater, The Flea Theater, Ensemble Studio Theatre, Contemporary American Theatre Festival, Edinburgh Fringe, Intar, and Seven Devils Playwrights Conference, among others. Watkins is the recipient of a Jerome Foundation/Tofte Lake Emerging Artist Fellowship, a Stavis Playwriting Award nominee, a Sundance Lab finalist, an O'Neill National Playwrights Conference finalist, a recipient of the John Osborne Award for the Performing Arts, and a Heideman Award finalist. He is under commission from the Denver Center Theatre Company. He is originally from Colorado.
